All the Little Ones Are Sleeping

(By Jean Ritchie)

(Chorus)

All through the night,
All through the night,
All the little ones are sleeping.
All through the night,
All through the night,
All the little ones are sleeping.
In a hole down underground,
Little bunnies can be found.

(Chorus)

Sparrow sleeps up in a tree,
My warm bed is best for me.

(Chorus)

Bless the babes and beasts and birds,

All small things that have no words.
(Chorus)

The Ants Go Marching

The ants go marching one by one.
Hoorah! Hoorah!
The ants go marching one by one.
Hoorah! Hoorah!
The ants go marching one by one,
The little one stops to suck his thumb,
And they all go marching down underground
To get out of the rain.
Boom, boom, boom...

The ants go marching two by two.
Hoorah! Hoorah!

The ants go marching two by two.
Hoorah! Hoorah!

The ants go marching two by two,
The little one stops to tie his shoe,
And they all go marching down underground
To get out of the rain.
Boom, boom, boom...

The ants go marching three by three.
Hoorah! Hoorah!

The ants go marching three by three.
Hoorah! Hoorah!

The ants go marching three by three,
The little one stops to climb a tree,
And they all go marching down underground
To get out of the rain
Boom, boom, boom...

Baby Beluga

(by Raffi)

Baby beluga in the deep blue sea,
Swim so wild and you swim so free.
Heaven above and the sea below,
And a little white whale on the go.

Baby beluga, baby beluga,
Is the water warm?
Is your mama home?
With you so happy?
Way down yonder where the dolphins play,

Where you dive and splash all day,
Waves roll in and the waves roll out.
See the water squirtin' out of your spout.

Baby beluga, oh, baby beluga,
Sing your little song,
Sing for all your friends.
We like to hear you.

When it's dark, you're home and fed.
Curled up snug in your water bed.
Moon is shining and the stars are out.
Good night, little whale, good night.

Baby beluga, oh, baby beluga,
With tomorrow's sun,
Another day's begun.
You'll soon be waking.

Baby beluga in the deep blue sea,
Swim so wild and you swim so free.
Heaven above and the sea below,
And a little white whale on the go.
You're just a little white whale on the go.

We take the elevator up, we take the elevator down
We take the elevator up, we take the elevator down

I See the Moon

(By Meredith Wilson)

I see the moon and the moon sees me,
Down through the leaves of the old oak tree.
Please let the moon that shines on me,
Shine on the ones I love.
Over the mountains, over the sea,
Back where my heart is longing to be.
Please let the moon that shines on me,
Shine on the ones I love.

I hear a lark and he calls to me,
Singing a song with a memory.
Please send the song he sings to me
Back to the ones I love.

Over the mountains, over the sea,
Back where my heart is longing to be.
Please take the song he sings to me,
Back to the ones I love.

And have no more cold in his head
Achoo!

Twinkle, Twinkle

(A French song, adapted by Mozart, lyrics by Jane Taylor)

Twinkle, twinkle, little star
How I wonder what you are!
Up above the world so high,
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are!

When the blazing sun is gone,
When it nothing shines upon,
Then you show your little light,
Twinkle, twinkle, all the night.
Twinkle, twinkle, little star
How I wonder what you are!

Then the traveler in the dark
Thanks you for your tiny spark.
He could not tell which way to go,
If you did not twinkle so.

Twinkle, twinkle, little star
How I wonder what you are.

Two Little Hands

Two little hands go clap, clap, clap,
Two little feet go tap, tap, tap.
Two little fists go thump, thump, thump,
And two little legs go jump, jump, jump.

Under the Dark

Under the dark there are stars,
And under the stars is a tree.
Under the tree is a blanket,
And under the blanket is me!

Shake it like a milkshake
And do the best you can.
Rhumba to the bottom,
And rhumba to the top
And turn around and turn around
And turn around and STOP!

What Shall We Do With a Tiny Baby?

(Tune: Drunken Sailor)

What shall we do with a tiny baby,
What shall we do with a tiny baby,
What shall we do with a tiny baby,
Early in the morning?

Roll 'em around and tickle 'em all over!
Roll 'em around and tickle 'em all over!
Roll 'em around and tickle 'em all over!
Early in the morning.

Way hey and up she rises!
Way hey and up she rises!
Way hey and up she rises!
Early in the morning.

When Goldilocks Went to the House of the Bears

When Goldilocks went to the house of the bears,
Oh what did her two eyes see?
A bowl that was huge,
A bowl that was small,
A bowl that was tiny and that was all,
She counted them: one, two, three.

When Goldilocks went to the house of the bears,
Oh what did her two eyes see?
A chair that was huge,
A chair that was small,
A chair that was tiny and that was all,
She counted them: one, two, three.

When Goldilocks went to the house of the bears,
Oh what did her two eyes see?
A bed that was huge,
A bed that was small,
A bed that was tiny and that was all,
She counted them: one, two, three.

When Goldilocks ran from the house of the bears,
Oh what did her two eyes see?
A bear that was huge,
A bear that was small,
A bear that was tiny and that was all,
They growled at her: grr, grr, grr!
