Parent Child Mother Goose

Parent-Child Mother Goose is a 10-week program for parents and their young children (0-9months). We foster the joy of music by using songs and rhymes. The program also promotes social/emotional development, and increased parent child connections.

This program is offered at John Braithwaite Community Centre in the Family Resource Centre.

For more information and registration, please contact us at 604-983-6494.
