Who we are

The North Shore Neighbourhood House is a not-for-profit registered charity serving the North Shore community since 1939. We are proud to be celebrating over 80 years of programs and services. We are an accredited agency through the Council of Accreditation.

Our Mission

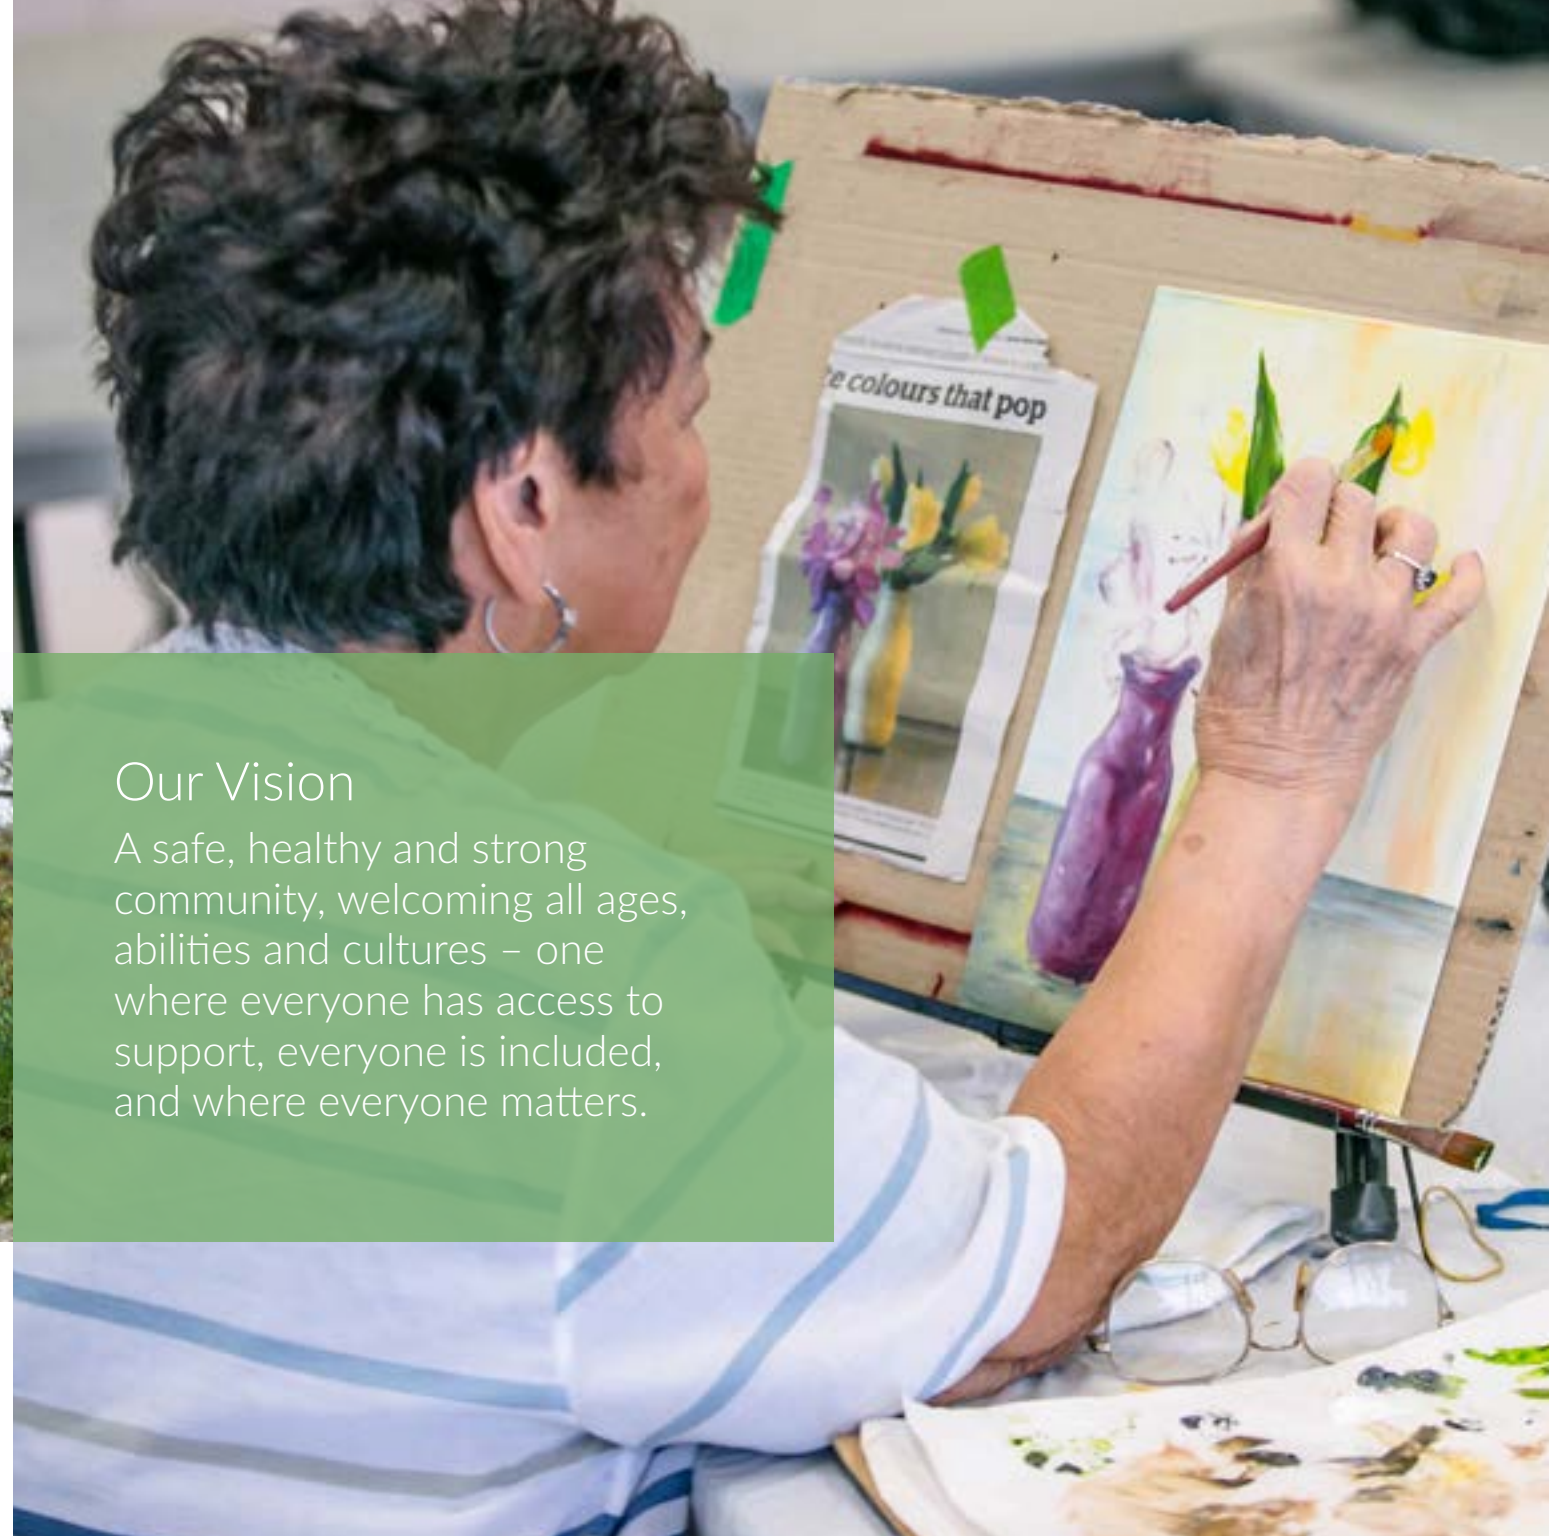

To enhance the lives of our neighbours especially our most vulnerable.

North Shore Neighbourhood House respectfully honours and acknowledges that we live, work and play on the ancestral, traditional and unceded territories of the Squamish and the Tsleil-Waututh Nations.

Strategic Priorities

2023 - 2027

Our strategic priorities focus on changes required to meet evolving needs of the community. This does not mean that we have forgotten the fundamentals. Readers of this plan - our clients, funders, staff, volunteers and community members - can be confident that we will stay the course and continue to provide the important services we always have, even as we move forward to achieve the goals we have set for NSNH in this plan.

The House

Secure an outstanding new home while maintaining the current facility to meet the needs of our clients and employees.

Children & Families

Enhance and strengthen all areas of support for children, youth, and families.

Our Staff

Continue to develop creative, forward-thinking HR policies and practices that help us recruit and retain the best employees.

Funding

Secure diverse and sustainable operating funds.

Seniors

Enhance our ability to meet the evolving needs of our seniors population, through both services and volunteer opportunities.
